

Senior Associate Consultants Opportunities

Who We Are....

We are market brand-name for Knowledge Transfer and Capacity Development, such as providing an organisation with the knowledge and tools that will improve the performance of the organisation. Since 1999, the Knowledge Factory Group through its subsidiaries, is the company to offer brand-name performance enhancement for clients, knowledge transfer and capacity development to private and public sector in Nigeria and United Kingdom. We are now reshaping our business model to enable us offer our services through our exclusive network of Consultants.

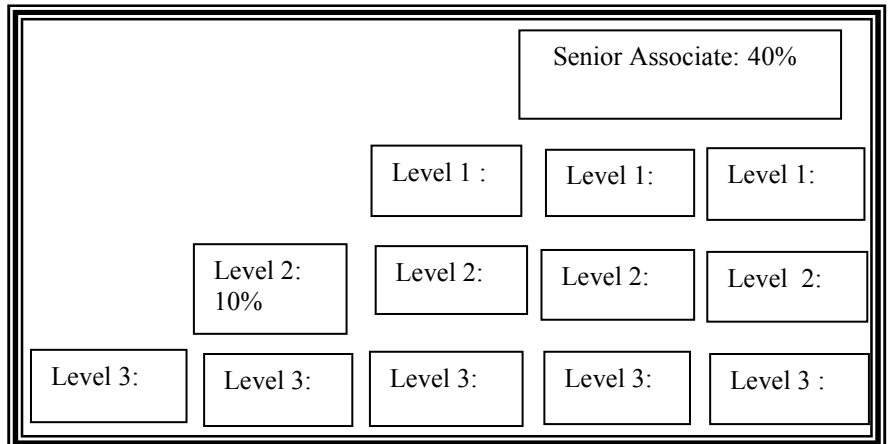

.....What next!! despair!! humility!! just retired!! These are just some of the feelings that appear after hearing such startling news such as "You are being early retired or we're going to have to lay you off." It now has become a stark reality for the new economy in Nigeria. No longer is the notion of retirement, layoffs, cutbacks, corporate down-sizing something that happens to private sector, it is also becoming common in Public Service. It can and often does happen when you least expect it or when you could least afford it. Retirement and retrenchment does not mean that you are tired. It is another opportunity to rebrand yourself and redirect your skills and experiences to benefit yourself and others.....

Our Philosophy...

Our Consultants offer tremendous value to our Customers when solving problems, transferring knowledge or building capacity of our customers. Rather than a brief encounter on a first meeting, our Customers gain a valuable and long lasting partner who will stand by them to provide the solution that enhances the performance of the customer. Through modern communication technology with dedicated websites, our Consultants can reach our international partners to provide expertise and knowledge which remains unmatched. Our Customers also experience unprecedented cost saving through marginal costing methods we use in offering our services. As a result our Consultants establish long-term and rewarding relationships with our Customers.

Income Opportunities...

We offer outstanding income opportunities for individuals who express a desire to be independent and who display an entrepreneurial spirit. Whether you are looking for extra income or if you're looking for something more, the Knowledge Factory Group is your partner for success. In addition to outstanding commission levels you also have the chance to participate in our Rich Rewards program.

So What's In It for Me....?

A Senior Associate Consultant who initiated a consultancy project or bring in the business opportunity and manages the project receives up to 40% commission on gross profit on such project. A senior Associate Consultant may also recruit up to three down-line Consultants with 12% to 8% commission levels. In addition, all Associate Consultants have their own on-line website page within the corporate website

However an experienced Business Development Consultant who initiated a consultancy project or brings in the business and is part of management team for the project can also receive up to 30% commission. A Business Development Consultant may also recruit up to two down-lines Consultants with 12% and 10% commission levels. In addition, all Business Development Consultants have their own on-line website page
