Welcome to a World of Opportunities...

Associate Consultants & Business Development Consultants Opportunities

We seek further Associate Consultants and Business Development Consultants throughout Nigeria (home or office based) who can develop and maintain a client base within their own specific market sector.

Your specific market sector is not important, however your knowledge and contacts within this sector are. To succeed in this position you will be a mature, results orientated, commercially minded & sales driven professional who believes in his/her own ability.

It is likely that you have spent many years at a senior level in your public or private sector, you are set up in life and are looking for an opportunity that will reward the effort that you put in.

Working from home under an agency style agreement, you will promote the Knowledge Factory International brand name into your specialist market sector through face to face contact & networking.

Knowledge Factory International will supply you with business cards, literature, administration back up, marketing and use of our extensive database plus the benefit of our website and corporate branding.

The most successful Associate Consultants are those with a strong network of business and/or public sector acquaintances. You will use that network to promote Knowledge Factory International and benefit from the generous commissions paid for successful projects and programme secured by you.

After 6 months, an Associate Consultant will be expected to secure a minimum of between one to two major projects or up to 10 minor projects. Associate Consultants will have opportunity to work in other areas of the business including delivering/coordinating capacity development programme, secondment to customer's organisations, trainee/student placement in overseas institutions, etc.

Top Commissions -We have the most outstanding commission levels in the industry and as your success grows so goes your commissions! Up to 40%.

If you are of the level required, are prepared for hard work, particularly in the first six months and are ready to control your own destiny, please call Matthew Tsado (Regional General Manager) on **08034003343** for an informal discussion before sending him your detail CV on Email: matthew.tsado@kfint.com
